

Sydney

- First dreamie acquired!
- Girlboss, icon, car lover
- I'd give her a nice car... if there were more good LPS-scale cars

Aldia

- Namesake of an LPS series I never made
- Secret heir to a throne in an alternate fantasy dimension
- Really needs a hug to be honest

Roxy

- ...What
- Self-proclaimed chef
- Burned a house down while making pasta
- Seriously what was G3?

April

- Secondary mascot
- Taken on an interest in travel
- Likes to take photos
- Bnnuy

Redd

- A gift from a childhood friend
- Falls on their face a lot
- Tired & trying their best
- Someone give them a raise

Todd Bonzalez

- Somehow the most expensive pet I have
- Frat-dude-bro energy
- Fell for crypto scams at least 3 times

MY PET SHOP.PDF

jadeeverstone.com

A fanzine by Jade Everstone

This zine was made in tribute to my interest in LPS, Featuring some pets from my childhood, ones from my LPStube days, and recent (as of making) additions

- Nat

Belle

- Actually my second of this butterfly
- My first lost its wings in the great LPS living room war
- She is not aware of the horrors

Saya

- Named after a IIDX character
- Would be better at the game than I am
- Is probably hiding something
- Hopefully isn't possessed

Bongo

- First (non-mcdonalds) LPS
- old enough to vote
- Misses his bird friend
- Just a chill guy to be around tbh

The King

- Named after King Harkinian from YouTube Poop
- What all true warriors strive for
- Ate 'lotsa spaghetti for dinner

Fuchsia

- I didn't know anteater LPS existed until I got her
- I like to grab her by the nose
- It's shaped for grabbing, trust me on this

Zinnia

- My OG LPS mascot
- Still hasn't been renamed
- The reason I'm chill with G4
- Is an illustrator (wow is that a Nat reference?)
